

## **CANCELLATION POLICY**

We ask for a donation from anyone who cancels with less than two weeks notice. While we understand that there are many unavoidable reasons to cancel, Cedars of Peace can't cover the financial loss of an empty cabin that we had been holding in order to honor your reservation. Thanks for understanding our predicament of wanting to support you and your need to cancel while not being able to absorb the financial loss without help.

Donations can be sent to:
